A big welcome to the 2026 Abbots Langley Festival.

Well, here we are again! It's two years since the last Abbots Langley Festival and, as usual, this year's festival runs for more than four weeks, this year starting on the same day as the Village Carnival.

The festival is a brilliant opportunity for all the people and groups in the village to demonstrate their interests and activities and create events for all.

The festival organisers are an independent group whose sole function is to bring together the many and disparate elements that make our village a sociable and interesting place to live and set up a biennial showcase for them. We are indebted to the organisations whose logos are displayed below for making this possible.

You can find out more about the festival and this year's events by visiting our website, but better still, visit us and some of the event organisers at our gazebo on the Millennium Garden between 10am and 2pm on Fridays and Saturdays from 29th May to 27th June.

We hope you enjoy the festival, and join with us in *Celebrating Abbots Langley*

www.abbotslangleyfest.org.uk

It's Festival time again! I am sure it will be a great series of events.

It is a pleasure to welcome you to this year's Abbots Langley Festival, which once again brings an exciting and diverse programme for everyone to enjoy. Our community's enthusiasm and involvement remain at the heart of this event, and I am delighted to see it continue to thrive.

Congratulations go to all the volunteers, organisers, performers, and supporters whose hard work makes the Festival possible. Thanks also to Warner Brothers, Herts County Council, and Abbots Langley Parish Council for their continued support.

I hope you enjoy the celebrations ahead – and that the summer weather is kind to us, too! I am sure all of this year's events will inspire creativity, connection, and celebration throughout our village.

With best wishes, Jane, Councillor Jane Lay
Chairman, Abbots Langley Parish Council
